

# 2016 Oregon Listing Results

**PAUL T. SULLIVAN, MCMINNVILLE**

## SUMMARY

*We welcome 10 new participants to Oregon Listing Results this year. Thank you to all the 111 birders who submitted numbers. I have carried forward records from 179 other birders, plus 20 deceased birding friends. The Listing Results include the efforts of 310 birders over many years.*

## A. NOTABLE STATEWIDE ACHIEVEMENTS

- ☑ Two more birders passed the mark of 400 species in Oregon: Stefan Schlick and Mary Anne Sohlstrom.
- ☑ The top Oregon Life List stands at 498 species (Jeff Gilligan).
- ☑ The highest state year list for 2016 was 339 species (Russ Namitz).

### **Birds Photographed in Oregon**

Participation in the Birds Photographed in Oregon category increased to 47 people. Tom Crabtree tops that list with 436 species.

### **Motorless**

John Sullivan tops the Motorless Life List with 295. Andy Frank tops the Motorless Year List with 217, and an heroic 7000 miles ridden. These categories saw 19 and 7 participants, respectively.

### **Western and Eastern Oregon**

Participation in the Western Oregon and Eastern Oregon Life list categories drew 13 participants each. Paul Sullivan tops the Western Oregon list at 406 and Tom Crabtree the Eastern Oregon list at 383.

I want to mention another listing mark that has not been published before. I have seen over 300 species in Oregon each year since 1985, with 3 exceptions: 295 species in 1988, and 299 species in 1987 and 2003. That is the fruit of 32 years of visiting the far corners of the state. I have never done a "Big Year."

## B. NOTABLE COUNTY LISTING ACHIEVEMENTS

Three more birders reached the goal of 100 species in each of Oregon's 36 counties: Bill Tice, Don Cogswell, and Ken Chamberlain. Twenty-one people have now reached that goal. Congratulations to you.

In the County Life List category it regularly happens that birders with the leading life list in their home county add a species or two and increase their total. This year Howard Sands became the new leader in Jackson County.

### New County Year List Records

Russ Namitz turned in the only new county year list record, in Jackson County. Unlike last year, four Oregon counties saw no birder submit a year list for 2016.

Andy Frank pursued motorless county year lists in 7 metropolitan area counties and came up with a composite motorless tally of 815 county ticks!
